Field trips and special visitors are planned to support the curriculum and thematic units.

## Weekly Activities

**Chapel Time:** Our preschoolers receive weekly religious education, where they are visited by the Pastor.

**Music:** Every week, our children receive 30 minutes of music instruction from a certified and experienced instructor.

**Computer Lab:** Our Five Day 3's & all 4 year-olds have the opportunity to visit the computer lab where they'll navigate educational websites and software that's been specially selected to reinforce classroom themes and lesson content.
